PROFILE

Student in the Grande École Program at EM Strasbourg, specializing in Accounting and Finance. I am particularly interested in compliance, internal control, and risk management issues within the banking sector. Rigorous, organized, and detail-oriented, I aim to develop my skills in regulatory analysis, procedure monitoring, and transaction security, while actively contributing to the compliance missions of a financial institution.

PROFESSIONAL EXPERIENCE

Compliance Analyst (Final Year Internship) | Wafasalaf (Institut financier) | Juin 2025 – Août 2025 | Casablanca, Morocco

- Audited and strengthened the compliance of **~40 financing files per week** in a strictly regulated banking environment.
- Identified documentation bottlenecks and measured that **standardization reduced the anomaly rate from 15% to 5%**.
- Proposed an **action plan to management** to accelerate the average processing time by **one day**.

Tax & Accounting Review Assistant (Internship) | ACF Conseil | Juil. 2024 – Sept 2024 | Casablanca, Morocco

- Developed a **document compliance checklist by tax declaration type** to standardize controls.
- Managed **multi-client files with zero detected non-compliance**, eliminating tax risk for clients and ensuring on-time delivery.
- Optimized account review time and improved the **reliability of supporting document verification** for the team.

Process Optimization Officer (Internship) | Xcopy | Juin 2024 – Juil. 2024 | Casablanca, Morocco

- Restructured the **archiving plan into 5 categories** and processed a backlog of **200+ administrative documents in 6 weeks**.
- Reduced **client search time from 8 minutes to 2 minutes per file**.
- Generated an **operational saving of ~€2,250 per year (125 working hours recovered)** with an **ROI above 4.8x**.
